Licensing

Other than landowners and individuals hunting under the authority of a landowner permit in the DEZ (see the Landowner Permit section of this publication), all hunters in these zones are required to follow the license requirements listed on pages 5 – 7 of the 2006 Wisconsin Deer Hunting Regulations pamphlet.

DEZ Landowner and DEZ Hunter Permits are not valid in the CWD Herd Reduction Zone (HRZ).

Deer Tagging in CWD Zones

Deer Tags:

Unlimited either-sex regulations are in effect for the DEZs and HRZ for the entire 2006 deer season. No earn-a-buck requirements are in place for the 2006 season. If earn-a-buck regulations (EAB) are implemented in CWD units for the 2007 deer hunting season, antlerless deer harvested this year will pre-qualify hunters for EAB next year. If EAB regulations are not in effect in CWD units in 2007, then antlerless deer harvested this year will not pre-qualify a hunter for EAB in 2007.

Hunters may use any of the following tags to tag a buck or antlerless deer in the CWD DEZs or HRZ:

- 2006-2007 CWD Deer Carcass Tag
- Archery Antlerless Deer Carcass Tag
- Gun Buck Deer Carcass Tag
- Any Antlerless Deer Carcass Tag
- Archery Either Sex Deer Carcass Tag

Note: Hunters can obtain 2006-2007 CWD Deer Carcass Tags free of charge (limit 4 per hunter per day) at deer registration stations and participating license vendors located in the CWD Zones and at all DNR Service Centers.

Deer Tagging Instructions:

Please see page 15 of the 2006 Wisconsin Deer Hunting Regulations pamphlet for instructions on tagging deer.

Note: It is illegal to possess any untagged deer.

CWD Deer Registration

- Any deer harvested in a Disease Eradication Zone shall be registered at a registration station designated by the department within the DEZ no later than 5:00 p.m. on the day after it was killed.
  - Any deer harvested in the Herd Reduction Zone shall be registered in the unit of kill or adjacent unit of kill within the HRZ or DEZ at a registration station designated by the department no later than 5:00 p.m. on the day after it was killed. A list of authorized stations will be available at DNR Service Centers and online at dnr.wi.gov.
- Note:
- The DNR is encouraging hunters to register their deer on the day it is harvested to assure the quality of any tissue samples taken by the department for testing.
  - The carcass and registration tags must remain attached to the deer, but may be removed from the carcass at the time of butchering. The person who killed or obtained the deer shall retain all tags until the meat is consumed.
  - Deer must be kept intact, except for field dressing and skinning, prior to registration. The lower legs, up to the tarsus joint (“ankle or hock”) on the hind legs and up to the carpus joint (“wrist or knee”) on the front legs, may also be removed. Exemption: Deer may be skinned and quartered by persons holding a Class A or B Disabled Permit. If the skin or legs are removed prior to registration, they must be kept with the carcass until after the deer is registered.
  - Any part of any deer may be collected or sampled by the department for disease testing purposes. If requested, you must allow the department to collect a sample for disease testing. Special arrangements can be made at the time of registration for deer that are to be mounted. Failure to provide or allow a sample to be collected may result in a fine.

CWD Carcass Transportation

Although the department does not restrict deer carcass movement once a deer has been registered, we recommend that only the following parts of deer be transported from the Disease Eradication Zone:

- Meat cut and wrapped (either commercially or privately)
- Quarters or other portions of meat with no part of the spinal column or head attached.
- Meat that has been boned out.
- Hides and capes with no part of the head or skull attached.
- Clean (no meat or brain tissue attached) skull plates with antlers attached.
- Antlers with no meat or tissue attached or finished taxidermied heads.
- If entire deer are removed from these zones, unused parts should be landfilled.

Additional Regulations Affected by CWD Hunts

- Night Hunting: Coyote, fox, raccoon and unprotected species may be hunted without hunting hour restrictions in CWD Units. This includes the dates of the firearm and shotgun hunts in the Disease Eradication and Herd Reduction Zone units.
- Possession of rifles during CWD shotgun hunts: It is unlawful to possess a rimfire rifle larger than .22 caliber or centerfire rifle .22 caliber or larger unless unloaded and cased during the Herd Reduction Zone gun deer hunts in areas where rifles are prohibited for the hunting of deer (see firearm restrictions map below).
- White Deer: Albino and white deer may be harvested and possessed in the DEZ, but not in the HRZ. Upon harvest of an albino or white deer you must contact the DNR within 7 days of tagging the deer to obtain a Possession Authorization Receipt to retain possession of an albino or white deer.
- Group Hunting: It is illegal to kill game for another person EXCEPT that during a deer firearm hunt, any member of a group deer hunting party may kill a deer for another member of the party if they are all licensed or permitted and hunting with firearms. There are additional requirements that must also be met to group hunt for deer. (See page 11 of the 2006 Wisconsin Deer Hunting Regulations pamphlet)

CWD Zone State Park Deer Hunting Permits

No person may hunt deer in the following State Parks during the open deer hunting season in that park, without first obtaining a State Park Deer Hunting Permit and property map identifying those areas closed to deer hunting within the park properties.

1. Blue Mound State Park (77D)

2. Governor Dodge State Park (70C)

3. Cadiz Springs State Park

4. Natural Bridge State Park (70F)

5. Yellowstone State Park (75B)

6. New Glarus Woods State Park
7. Tower Hill State Park

8. Belmont Mound State Park

9. Mirror Lake State Park

10. Devil’s Lake State Park

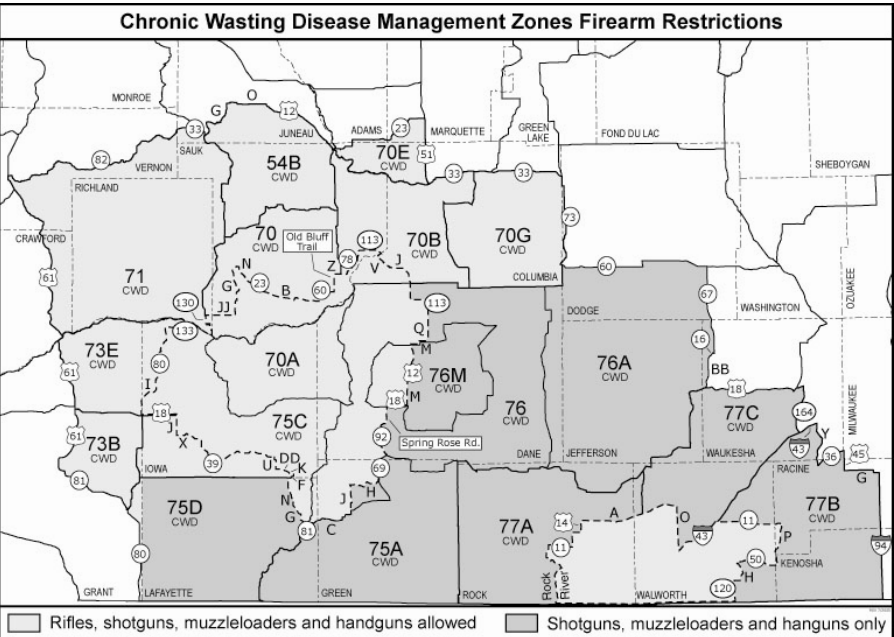

11. Rocky Arbor State Park

State Parks Within the CWD DEZ and HRZ				
Park	Zone	Archery Season Dates	Gun Season Dates	Harvest Limit
Belmont Mound, Mirror Lake, Natural Bridge (70F), Rocky Arbor, Cadiz Springs, New Glarus Woods, Yellowstone (75B), and Devil’s Lake State Parks.	HRZ	Nov. 18-Jan. 7	Oct. 19-22 (hunting hours end at 12 noon) & Nov. 18-Dec. 10	One deer of either sex per unused deer carcass tag.
Blue Mound (70D), Governor Dodge (70C), & Tower Hill State Parks	DEZ	Oct. 14-22 (hunting hours end at 12 noon) & Oct. 23 – Jan. 7	Oct. 14-22 (hunting hours end at 12 noon) & Nov. 18-Dec.10	

Note. State Park Permits and property maps will be available at the State Park office and all DNR Service Centers within the CWD zones. Vehicle Admission Stickers are still required. Check with the State Park office for details about all other park rules and camping information.

Firearm and Bow Restrictions in the CWD DEZ and HRZ

- A person may only use the weapon authorized by the type of license they hold and may only use the weapon type authorized for the seasons listed on the front of this publication.
- It is unlawful to use rifles to hunt deer in the Dane, Dodge, Green, Lafayette, Racine, Rock, and Walworth County portions of the Herd Reduction Zone.
- Rifles can be used to hunt deer in both Disease Eradication Zones, including the Dane, Green, Kenosha, Lafayette, Racine, Rock, and Walworth County portions (see map below).

CWD Landowner Permit Information (only valid in the DEZ)

Disease Eradication Zone (DEZ) Landowner permits and DEZ Hunter permits enable participating hunters to hunt deer on the landowner’s property without the need to purchase a regular archery or gun deer license. Additionally, DEZ Landowner Permits and DEZ Hunter permits are not required during deer hunting seasons if a hunter has purchased a deer hunting license.

A DEZ Landowner Permit is required to allow others to hunt on the landowner’s property without purchasing a deer license. Those who want to hunt on the landowner’s property without a deer license must purchase the \$2 DEZ Hunter Permit.

Eligibility

- Landowners owning at least 5 contiguous acres, all within a DEZ may, under this department issued permit, kill deer on lands under their ownership within the DEZ. Only one landowner may obtain a permit for land owned within a DEZ.
- Owners of multiple separate parcels will only receive one permit (one permit per DNR Customer Identification Number).
- Persons other than the landowner who receives the permit may assist as a participant in the hunting of deer on the land for which the permit is valid.
- All participants shall be selected by the landowner who holds the permit.
- All participants shall possess written approval, via the landowner authorization form, from the landowner and a DEZ hunter permit.
- No person less than 12 years old may obtain or hunt under the authority of a DEZ Landowner or DEZ Hunter permit. Hunter Education course requirements apply.

Permits

DEZ Landowner Permit: \$2 and DEZ Hunter Permit: \$2

- Both permits may be obtained at any license sales location (these permits will not be available via the Internet or over the phone).
- Permits issued in 2006 will be valid beginning on September 16 and will expire March 31, 2007.
- Permits may be used during either the archery or gun season. **Legal archery equipment may be used from September 16-March 31, 2007. Firearms may only be used from Oct. 14-22 and Nov. 18-March 31, 2007.**
- Rifles legal for hunting deer may be used in the DEZ by landowners and participants that have been authorized by the landowner.
- Landowners will be issued a CWD Landowner Permit/Backtag and one either-sex carcass tag for their own personal use during any season on the property that they own in the DEZ. This either-sex carcass tag may not be transferred to or possessed by anyone except the landowner to whom it was issued, and is not valid outside of the DEZ or on land owned by someone else.
- Those landowners not intending to hunt, but who wish to allow others to hunt on their property may obtain a permit with no hunting authority for no charge at any DNR Service Center or may request a free permit by calling 1-877-WISC-CWD.
- Additional 2006-2007 CWD Deer Carcass Tags can be obtained free of charge (limit 4 per hunter per day) at deer registration stations and participating license vendors located in the CWD Zones and at all DNR Service Centers.

CWD Landowner Permit Information continued

- Hunters wanting to hunt under the authority of another person’s DEZ Landowner Permit will be issued a DEZ Hunter Permit/Backtag and one either-sex carcass tag for their own use and two landowner authorization forms. In order to be valid, the authorization form must be signed by the landowner of the land that is hunted and include the DEZ Landowner Permit/Backtag number. A hunter must receive separate authorizations from the landowner holding a DEZ Landowner Permit for each property that they intend to hunt.
- Landowners may not charge any form of a fee to a participant who is hunting under the authorization of a DEZ Landowner/Hunter Permit.
- Hunters may obtain additional landowner authorization forms if they wish to hunt on more than two landowner properties from any ALIS vendor for free.

CWD Landowner Permit Regulations:

Landowners and participants shall:

- Comply with all hunting regulations found in the 2006 Wisconsin Deer Hunting Regulations pamphlet unless otherwise specified in this supplement.
- Comply with shooting hours listed on the back cover of this publication.
- When hunting, comply at all times hunting with the blaze orange clothing regulations on page 8 of the 2006 Wisconsin Deer Hunting Regulations pamphlet.
- Display their back tag while hunting under the authority of a DEZ Landowner permit.
- Immediately validate and attach the carcass tag as described by the “Deer Tagging Instructions” on page 15 of the 2006 Wisconsin Deer Hunting Regulations pamphlet.
- Register deer taken in accordance with procedures designated under the CWD Deer Registration section of this publication.

Landowners:

A landowner, a family member of the landowner (**Note:** family member means a person who is related to the landowner as a parent, child, spouse, or sibling), or an employee of the landowner may use a firearm or bow to shoot deer from a farm tractor or an implement of husbandry (**Note:** Implement of husbandry means a vehicle or piece of equipment or machinery designed for agricultural purposes, used exclusively in the conduct of agricultural operations and used principally off the highway.)

ONLY in the following areas:

- Only on the landowner’s land, and
- Only in a designated Chronic Wasting Disease Eradication Zone (see the “2006 CWD Management Zones” map in this publication for the boundaries of the CWD Eradication Zone.

Only these qualified individuals may:

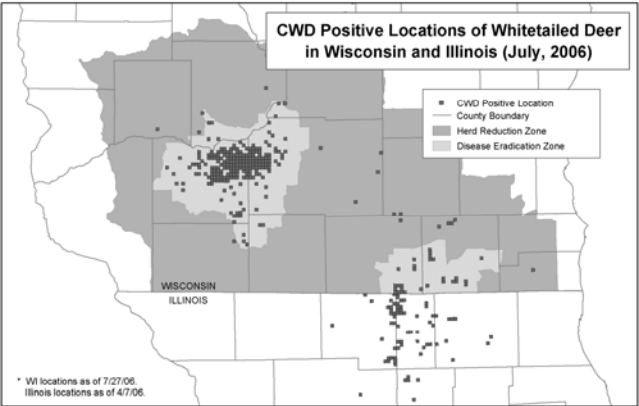

- Place, possess or transport an uncased firearm, bow, or crossbow in or on a farm tractor or implement of husbandry.
- Load or discharge a firearm or shoot a bolt or an arrow from a bow or crossbow in or from a farm tractor or implement of husbandry.

No person may: (including the above qualified individuals)

- Hunt within 50 feet of the roadway’s center, or
- Discharge a firearm or shoot a bolt or an arrow from a bow or crossbow from or across a highway or within 50 feet of the center of a roadway.

2006 Chronic Wasting Disease Zone Deer Hunting Regulations

Disease Eradication Zone Season Dates

Archery: September 16 – January 7, 2007  
Gun: October 14 – 22  
November 18 – December 10

Herd Reduction Zone Season Dates

Archery: September 16 – January 7, 2007  
Gun: October 19 – 22  
November 18 – December 10

PUB-WM-401-2006

This is a supplement to the 2006 Wisconsin Deer Hunting Regulation pamphlet. All hunters hunting in the Chronic Wasting Disease (CWD) Disease Eradication Zones (DEZs) or Herd Reduction Zones (HRZ) must comply with all hunting regulations found in the 2006 Wisconsin Deer Hunting Regulations pamphlet unless otherwise authorized or restricted by regulations provided in this CWD Regulations supplement.
